

Broadcast from Home – Chapter 1: “That Other You Still Exists”

Text: Anonymous, Westchester, NY, March 23

*After more than a week, of being at sixes and sevens, not caring about all the inside things I love to do. Where was music? Where was reading? Why wasn't I cleaning closets? I finally succumbed to days of staying in bed...fearing that this lassitude might never end. And remembering my advice: Give in to what your spirit is telling you. It's not forever! That other you still exists.*
