

Broadcast from Home – Chapter 10 “The City is Not the Same”

Texts:

London, North Hackney – London is apparently “opening” but the city is not the same. I choose to believe that this is a good thing.

- Anonymous, 39 years old, London, UK, May 23, 2020

I am changing moving seeing sun set here and there and then back here way above the stillness of the city city that was in motion is now in non-motion i am a reflection of my city a reflection of these people one person with these people.

- Anonymous, 15 years old, Brooklyn, NY, June 1, 2020

I like the quiet.

The simple rhythm of trimmed back life.

We are reopening...
