

Broadcast from Home – Chapter 12 “Today is Enough”

Texts:

Abiding 2

*Outside...
People marching
People shouting
[All seen through the window
Of my computer.]*

*For the reason
to be
afraid
has passed.*

*Inside there is
Mostly
Waiting
Just sorting it out;
waiting*

*Quietly,
Almost in silence,
The days go
On
And on.*

There's so much time. It's totally luxurious...I've discovered that small joys are enough...I'm taking boat rides...reading novels...growing vegetables, playing with my pets, taking care of my Dad...I whistle a lot.

I'm just so grateful...that everything stopped. I was desperate for it to stop...Turns out it's enough. Today is enough...I have enough, I do enough, I am enough.
